

December 23, 2021

Dear Family Member,

I'm happy to report that despite the high COVID positivity rate in our area, our Extended Care Facility remains COVID free. I would like to remind you to take all the necessary precautions to prevent the spread of the virus. Please continue to wear your masks, wash your hands and socially distance. I especially urge you to refrain from visiting when you are not feeling 100%. We are now seeing cases of Influenza throughout the community and reports of other cold symptoms.

I'd also like to remind you that there are times your loved one may need to leave the facility for a medical appointment. If your loved one does not have a coat here, I encourage you to bring one in. We do use blankets for these trips, but having a warm coat may keep them just all that more comfortable over the winter.

As we come to the end of another year, I want to extend a sincerely thank you for all your prayers and support. I want to wish you and your family a very Merry Christmas and a Happy New Year!

Sincerely,

Fortunato Scerbo III

Administrator
