Dear Fellow Employee,

I am pleased to once again report that there are no major issues to communicate today. I will be meeting with the COVID 19 prep leadership team tomorrow morning and will have more to share at that time. Our prep team now meets Tuesdays and Thursdays rather than daily due to the fact that we continue to operate well during this current crisis.

In regards to testing, we have tested 2462 individuals, 2289 negative, 144 positive with 29 pending. Today we received 84 results, all negative as follows: Elective Procedure 66/0 positive, Inpatient 4/0 positive, Practices 10/0 positive, ECF 0/0. We continue with 1 COVID positive inpatient and have 18 tests pending.

The Walmart testing site continues to operate 3 days per week. That site has not provided the County with any results to date, which is 11 days out from when testing started. The Upstate Van will be at Chittenango Middle School on Wednesday, 6/3 from 9:00am to 3:30pm.

Please continue with the great care and work you are doing. I have hope we will be out of this COVID funk soon.

With Sincerest Gratitude,

  
Gene F. Morreale
