

May 23, 2020

Dear Fellow Employee,

Another gorgeous day in CNY! Many of our community members are out and about and enjoying the weather. A number of house parties are occurring with not many people wearing masks. It appears that a number of people have decided to move on with their lives and what will be, will be.... We will find out what impact that this relaxing of the guidance requirements will have on the COVID 19 spread over the next week or so.

Our numbers of testing results continue on the trend we are happy to see. We have tested 1923 individuals, 1703 negative, 139 positives with 81 pending. We received 36 results back today as follows: Elective Surgery 3/0 pos., Inpatient 5/0 pos., ED 4/0 pos., Practices 6/0 pos. and ECF 18/0 positive. We do have 1 inpatient who is positive and has been for a while. He is in need of inpatient care at this time. We have 7 inpatients pending.

So the streak continues with 0 positives within our network. That is truly encouraging. I have high hopes that will continue.

Nothing more to report at this time. Thank you again for those of you who are working this holiday weekend. Very much appreciated!

With Sincerest Gratitude,

Gene F. Morreale
President and CEO
