Please note: Company registrations are required prior to submitting an individual registration. Contact Green Security Customer Service for assistance if your Company is not already registered with Green Security. Companies can also request to have company manager accounts established to manage all their vendors and contractors in the Green Security web portal.

A background screening will begin once the corresponding credential has been filled out and sent for processing. We encourage you to allow 5-7 days to complete your Green Security registration, prior to visiting, an **Oneida Health** location. This will allow ample time for you to be cleared and in receipt of your required badge. As a reminder, all credentials are set by **Oneida Health**, and are a requirement for being an approved vendor.

Upon arriving at an **Oneida Health** facility, you will need to scan your Green Security hard badge at one of the Green Security kiosks, located in the Hospital. Please note that if you do not have an approved Green Security badge, you will NOT be granted access at any **Oneida Health** facility after **February 1st, 2023**.

For confirmation of this change, you may contact **Theresa Faircloth** (tfaircloth@oneidahealthcare.org) Please direct all other inquiries to Green Security Customer Service.

Please contact **Green Security** at **866-750-3373** to learn more or with additional questions regarding the vendor registration process. Their customer service team will be happy to guide you through the transition. Their hours of operation are Monday through Friday 8am – 5pm EST.
