

COVID-19 POLICY FOR BRINGING ITEMS TO PATIENTS

Items must be:

- Necessities (glasses, dentures, technology, phone charger, etc)
- Non-food items
- Non-fabric (able to be wiped down)
- Dropped off to the security desk
- Family member places item into bag
- Security will contact the Department/Unit Supervisor to arrange pick up at the Security Desk
- No staff member should contact the items directly
- On day of discharge, families may bring in a change of clothes as necessary (follow same process as above)
