### **Oneida Health Announces Jeremiah Sweet, CFO, Interim President & CEO**

**Oneida, NY** - Oneida Health is proud to announce Jeremiah Sweet, their Chief Financial Officer (CFO), will be serving as their Interim President and Chief Executive Officer (CEO) effective June 1, 2023. He succeeds Jonathan Schiller, who is leaving the organization at the end of May.

Oneida Health's Board of Directors began a nationwide search for Oneida Health's next President and CEO in February following Schiller's announcement. They anticipate filling the role with a candidate sometime in the fall of 2023.

"During this process, we have been able to attract a number of very qualified candidates already for the President and CEO position," said Michael Kallet, Board Chairperson. "Between our reputation for quality care, breadth of services, and our independence as a not-for-profit healthcare organization, we are a very desirable destination. We will be able to take our pick from some of the nation's top talent."

Sweet joined Oneida Health as CFO in 2017 after working many years at the Bassett Healthcare Network. "Since his entry into the organization Jeremiah (Sweet) has contributed greatly to the continued success of Oneida Health as a regional healthcare provider," said Kallet. "His competence, collegiality, and willingness to go above and beyond have earned him the respect of all of us here at Oneida Health during his tenure. We can all take comfort in knowing that the organization will be in very capable hands as this process concludes."

Sweet will retain his authority as Chief Financial Officer during the transition.

### **About Oneida Health**

Oneida Health is a regional integrated healthcare network based in Oneida, NY operated by Oneida Health Systems, a New York State not-for-profit corporation. From a four-bed hospital in 1899 to a local leader in patient care, Oneida Health has a singular vision for providing the highest levels of patient safety and experience through the perfect pairing of talented medical professionals and state-of-the-art technology. Offering physical rehabilitation, primary and specialty care, an award-winning hospital, and skilled nursing, Oneida Health invests in the

health of our communities through a network of health services focused on long-term health and prevention.
