Oneida Health Hosts Job Fair

Oneida, NY – On February 26, Oneida Health will be hosting a Get Hired Job Fair from 4:00 pm – 7:00 pm at the Gorman Community Center located at 1081 Northside Shopping Center in Oneida.

In an effort to help candidates reach employment, Oneida Health will have representatives on hand for voluntary on the spot interviews for a number of positions. “The purpose of the job fair is to give candidates the opportunity to get to know Oneida Health through meet and greets, and informal interviews which may fast-track them to getting hired,” said Mike Messersmith, Human Resources Manager at Oneida Health. “We are actively looking to meet candidates who are ready for a rewarding career in healthcare that fit our culture of exceptional care, always.”

Among many healthcare related positions such as radiology, laboratory, and nursing, they will also be seeking individuals for non-clinical positions. These positions include fields such as Housekeeping, Dietary, Patient Access and Medical Office Assistants, to name a few. “If you are currently working in healthcare or interested in beginning, we want to meet you to discuss the opportunities we have at Oneida Health,” said Messersmith. “We offer competitive pay, flexible schedules, premium benefits, and an exceptional work culture.”

Candidates of the job fair can walk-in or pre-register online at oneidahealth.org/get-hired-fair. Those who pre-register can reserve a time and fast track the meet and greet process. For more information, please call 315-361-2040 or go online at oneidahealth.org.
