Quick Care Cuts Ribbon, Announces Expanded Hours

Camden, NY – On August 22, representatives from Oneida Healthcare, the Camden Chamber of Commerce, the Greater Oneida Chamber of Commerce, and Camden officials gathered to celebrate a ribbon cutting event for Quick Care, a walk-in medical solution for non-emergency care located at 9562 State Route 13 near Tops Supermarket.

At the ribbon cutting, it was announced by Oneida Healthcare President and CEO, Gene Morreale, that beginning in the first week of September, Quick Care would be expanding its hours to be open Monday through Friday 8:00 am to 7:00 pm. They were previously only open on Monday, Tuesday, and Thursday. Quick Care opened in July following the closure of the Oneida Medical Associates Camden location.

Quick Care treats an array of common conditions such as colds, cuts, sprains, back pain, rash, sinus pain, allergic reactions, ear infections, minor broken bones, and sore throat, among many other non-life threatening conditions with no appointment needed. They do not provide treatment for symptoms related to chest pain, difficulty breathing or major trauma.
